

Centralized Audit Regime Issues for Buyers and Sellers of Partnership Interests: Protecting Against Audit Risks

October 29, 2019
Strafford Publications

Jonathan Stein was presenting faculty for this CLE/CPE webinar providing guidance to tax counsel and advisers on BBA audit regime issues faced by buyers and sellers of partnership interests. The panel discussed key points of interest in negotiating and structuring purchases or sales of partnership interests in light of the new partnership audit regime for both sellers and buyers. The panel also provided an in-depth analysis of methods in assessing potential BBA audit risks and protecting against pre-acquisition liability.
