

Medical, Educational & Cultural Institutions

Goulston & Storrs attorneys serve the full range of legal and strategic needs of a diverse group of medical, educational and cultural institutions, drawing upon the deep experience and knowledge our lawyers bring from many disciplines.

Those disciplines include:

- Banking & finance
- [Construction](#)
- Charitable giving
- Data privacy & security
- [Employment](#)
- Governance
- Intellectual property
- Joint ventures and partnerships
- Leasing
- Litigation and alternative dispute resolution
- Master planning and enterprise development
- Organizational formation, structuring and governance
- Real estate, including real property transactions, land use and public approvals
- Regulatory compliance
- Risk assessment and insurance
- Tax issues including federal, state and local tax issues, including tax exemption, UBTI and PILOT issues
- Technology transfer and licensing

Our clients are mission-driven organizations engaged in health care, research, primary and secondary education, arts and culture and social services at scales ranging from a single facility or program to large, multi-use campuses with billions of dollars in assets.

Representative Matters

Massachusetts Institute of Technology (MIT) Real Estate Development, Acquisitions, Dispositions, Permitting, Environmental, Financing, and Leasing Matters

Representation of Massachusetts Institute of Technology (MIT) in connection with its real estate development, acquisitions, dispositions, permitting, environmental, financing, and leasing matters in Cambridge, Massachusetts (e.g. the firm represented MIT in connection with the permitting and redevelopment of an assemblage of property located in Kendall Square and assisted MIT in successfully gaining the City's approval for special permits for planned unit development, including all of the necessary environmental matters related to revitalizing formerly semi-industrial land).

Boston Children's Hospital Land Use, Zoning and Permitting for \$1B Expansion

Representation of Boston Children's Hospital in connection with the land use, zoning and permitting for the hospital's \$1B expansion, including the construction of a new 11-story building on its Longwood campus, and in the development of its suburban campuses in Brookline, Waltham, Lexington, and Peabody, MA.

Mass General Brigham Real Estate Acquisitions, Development and Ground Leases

Representation of Mass General Brigham in the acquisition of several historic buildings at The Charlestown Navy Yard in Boston; the acquisition of the Youville Hospital and Rehabilitation Center in Cambridge (together with Spaulding Rehabilitation Network); ground leasing and redevelopment of the Massachusetts Mental Health Center site for an office, clinical, research and mixed-income residential project and mental health care facility; the acquisition and redevelopment of a large land and an office building in Danvers, MA; and the acquisition of the Service Center parking garage located on Brookline Avenue in Boston.

Colleges and Medical Institutions Construction Contracts, Design Agreements and Architect Contracts

Representation of numerous Boston-area colleges and medical institutions with construction contracts, design agreements and architect contracts for the repair, renovation and upgrade of existing facilities and the construction of new facilities and projects.

General Counsel to Innovative Medical Technologies Consortium

General counsel to a consortium focused on innovative medical technologies, formed on behalf of academic medical centers and prominent universities, including the expansion of the consortium into the United Kingdom.

Medical and Educational Institutions and Non-Profit Organizations Income Tax and Exempt-Status Matters

Advise medical and educational institutions and other non-profit organizations with respect to various income tax and exempt status related issues, including unrelated business taxable income; structuring of investments and participation in partnerships and commercial co-ventures; PILOT (payment in lieu of taxes) Agreements; property tax abatements and appeals seeking full or partial exemptions; governance issues; and in the re-instatement of tax-exempt status.

Hospitals and Colleges Complex Litigation Matters

Representation of multiple hospitals and colleges in complex litigation matters such as contract disputes, claims defense, and surety bond claims.

Non-Profit Organizations Employment Matters

Representation of non-profit organizations regarding employment practices, including employee discipline and termination, employment policies, and investigation and resolutions of employee misconduct, and representation regarding senior executive matters including employment agreements, 409A deferred compensation, severance agreements, split-dollar life insurance arrangements, reasonableness standards and safe harbors to comply with the intermediate sanction rules, employee benefits and executive compensation matters, including the creation of

deferred and incentive compensation programs for the executives and overseeing compliance matters for such programs under ERISA and the Tax Code.

Healthcare and Educational Institutions Development and Approval of Institutional Master Plans

Counsel to healthcare and educational institutions in the development and approval of institutional master plans under Article 80 of the Boston zoning code, including Berklee College of Music, Beth Israel Deaconess Medical Center, Boston Children's Hospital, Dana-Farber Cancer Institute, Harvard University, Joslin Diabetes Center and Massachusetts General Hospital.

American University Campus Plan

Representation of American University in connection with the preparation and processing of a Campus Plan to guide development through 2022, including the development of the East Campus with new dormitories and a new Hall of Science Building on AU's Main Campus.

Catholic University Campus Plan

Representation of The Catholic University of America in connection with all matters relating to its Campus Plan including the installation of a new playing field.

George Washington University Land Use and Zoning Matters

Representation of George Washington University in connection with land use, zoning, and related matters for its Foggy Bottom and Mount Vernon campuses in the District of Columbia.

Museum of the Bible Real Estate and Land Use Matters

Representation of the Museum of the Bible in connection with real estate and land use work related to the establishment of a new museum in downtown Washington, D.C.

Georgetown University Land Use and Zoning Matters

Representation of Georgetown University in connection with land use, zoning, and related matters for its campuses in the District of Columbia. The work includes approvals for the construction of new academic, athletic, residence hall, and medical care buildings on Georgetown's Main Campus.

Trinity Washington University Campus Plan

Representation of Trinity Washington University in connection with the preparation and processing of a Campus Plan to guide development of Trinity's Campus, located in the Northeast quadrant of Washington, D.C., through 2027.

Georgetown Day School Development of New Facility

Representation of Georgetown Day School in connection with all approvals relating to the construction of a new Lower/Middle School.

John F. Kennedy Center for the Performing Arts Expansion Project

Representation of The John F. Kennedy Center for the Performing Arts in connection with approvals relating to its expansion project.
