

# Could It Happen Here? Firm Claws Back Associate's Salary

March 3, 2023

Massachusetts Lawyers Weekly

---

A North Dakota law firm has succeeded in clawing back nearly \$36,000 of a former associate's salary by invoking an "hour billed discrepancy" clause in the lawyer's employment contract — which begs the question: could it happen in Massachusetts?

Director Richard Zielinski shares his thoughts with Massachusetts Lawyers Weekly.
