

NetDocuments Joins SALI Alliance, Advocates Legal Classification Standards

October 28, 2020

SALI and the topic of standards was front and center at Elevate 2020, NetDocuments' virtual customer, partner, and industry leader conference. The event included a platforms and standards-themed industry video chat featuring SALI Alliance leaders Toby Brown, Chief Practice Management Officer, Perkins Coie; Jim Hannigan, Director of Legal Project Management, Coblenz Patch Duffy & Bass; and Kelly Harbour, Director of Client Relations & Innovations, Goulston & Storrs. In addition to discussing the evolution of SALI and its industry-wide support, Kelly Harbour provided a use case of how Goulston & Storrs, a NetDocuments customer, is adopting the SALI standard.
